

BOW TIE

an original pattern by Diana McClun and Laura Nownes

Class Description

This is an ideal bed quilt or wallhanging to enhance any rooms décor. This easy to piece classic pattern focuses more on the placement of light and dark fabrics rather than the bow tie design. Three size options are available as well as the quilting design. Appropriate for any level quiltmaker.

Class Supply List

- Pattern
- Fabric: refer to the back of the pattern for yardage requirements
- Cutting tools: mat, rotary cutter and acrylic ruler
- Sewing machine, in good working order
- Thread in neutral color, 100% cotton for piecing with bobbin of the same
- Light-color flannel or sheet (approx. 1-1/2 yd.) to use as a design wall
- Pins
- Seam ripper
- Ziploc bags for storing cut pieces

Class Outline

Three 2-1/2 hour classes with teacher demonstrations and sewing time for students

Class One: Cutting and organizing fabric pieces – page 1

Class Two: Begin construction of the blocks – page 2
Complete blocks at home

Class Three: Assembly – place all of the completed blocks onto the flannel design wall and begin joining them together in rows.
Complete the quilt top at home.

Teachers: For ease of final construction, have the students straighten the edges and trim all of the blocks to a consistent size, even if they are not exactly 8-1/2" x 8-1/2". Consistency is important for this pattern.
